TAKE THE PLEDGE to...

“Turn the Trend. Don’t Tech and Drive”

___ I PLEDGE TO NOT TEXT AND DRIVE

___ I PLEDGE TO NOT TECH AND DRIVE - including no snapchatting, facebook, Instagram, twitter, email, etc.

___ I PLEDGE TO LOCK IT UP – putting my phone somewhere I can’t peek at it

___ I PLEDGE TO SETUP BEFORE I DRIVE – setup my music and maps before I drive.

___ I PLEDGE TO DESIGNATE A PASSENGER – to help navigate, change music, respond to texts

___ I PLEDGE TO SPEAK-UP – if I see someone driving while distracted!

By signing below, I am making a conscious commitment to NOT tech while driving, always wear my seatbelt and encourage my friends and family to always do the same.
